Re: My case 12.17631

Dear Judg Chan,

My name is Loretha Johnson, I was emailed by my attorney Termaine Harris last night at 9:09 pm, notifying me that the court have been trying to contact me to let me know that my case will be dismissed if I don't respond in 10 days. I recently moved in November of 2017 and my telephone number changed August of 2017. He informed me that I only have \$89 left to pay on my bankruptcy case, but he's trying to charge me \$500 to represent ~~ment~~ me to have it reinstated, + I have to pay him ASAP. The system says that my case was already dismissed June 27<sup>th</sup>, which contradicts what attorney Termain Harris said. He alledges that he didn't have my new number, but we've corresponded

Several times ~~Document~~ ~~Page 2 of 2~~ ~~and~~ my new number, because he represented me ~~for~~ ~~for~~ my foreclosure case, I have text messages during that time. I need my case (case # 12.17631) to be reinstated so that I can pay my last payment of \$89, + have my case discharged. I've come too far my case to be dismissed due to my attorney's negligence + I want my name to be free + cleared once and for all. Please consider my request Honorable Judge Chan, My new # is (267) 866-7795, and my address is: 559 San Diego Ave., Jenkintown, PA 19046.

yours truly,  
  
Loretha Johnson
